PROFESSIONAL SUMMARY

Informatics Engineering graduate (GPA 3.61/4.00) combining project coordination, organizational leadership, and hands-on software-development internship experience. Coordinated 25 committee members, tracked tasks and timelines, managed an IDR 45 million event budget, and supported an event attended by 500+ participants. Familiar with PHP, SQL, SDLC, requirements analysis, Microsoft Excel and PowerPoint, with certifications in Scrum and networking. Interested in entry-level opportunities in project coordination/PMO, business analysis, and technology operations.

EXPERIENCE & PROJECT LEADERSHIP

Project Manager / Event Chair - Technology Seminar & Festival

Universitas Binaniaga Indonesia | Jun 2024 - Jun 2025

- Coordinated 25 committee members across divisions, aligning task assignments, timelines, coordination meetings, progress checks, and follow-up actions for a technology event.
- Managed an IDR 45 million budget allocation, addressed operational issues during preparation and execution, and helped deliver an event attended by 500+ participants.

Vice President - Student Executive Board (BEM)

Universitas Binaniaga Indonesia | Jun 2024 - Jun 2025

- Oversaw programs across 4 ministries and 30+ board members, supporting work-plan coordination, task ownership, timeline monitoring, and regular progress reviews.
- Coordinated communication with university leaders to channel and follow up on student aspirations involving 1,000+ students.

Junior Full-Stack Programmer Intern

Klub Golf Bogor Raya | Feb 2025 - Jun 2025

- Developed and optimized application features using PHP and SQL; collaborated with developers to identify bugs, test fixes, and support usability improvements.
- Provided basic technical assistance for workplace issues when needed, alongside primary software-development responsibilities.

Content Creator & Video Editor Assistant Intern

Klub Golf Bogor Raya | Jun 2025 - Sep 2025

- Worked with the creative team to coordinate content calendars, prepare digital content, and track publication deadlines to keep deliverables on schedule.
- Supported visual and audio content editing while aligning production details with the planned message and publishing requirements.

SELECTED ACADEMIC PROJECT & PUBLICATION

Final-year thesis: Integrated C4.5 classification with Natural Language Generation to classify digital promotion effectiveness and generate recommendations.

Selected publication: Penyuluhan Literasi Digital Siswa SMP through education on oversharing, social media ethics, anti-hoax awareness, and AI impacts.
